

Cookie Policy

When you use our services at www.funerariasunidas.pt, we may collect information through cookies.

Cookies are small files of numbers and letters that are stored in the user's browser when they visit a website.

This information is used to provide the user with a more personalized service, allowing to improve performance and browsing experience, on the one hand, increasing the speed and efficiency of the website's response and, on the other hand, eliminating the need to repeatedly enter the same information. The placement of cookies will help the website recognize the device the next time the user visits it.

If the user selects the option not to accept cookies in their browser program, they will not benefit from this functionality, making it necessary to authenticate each time they start a session.

The cookies used on the website do not collect personal information that allows identifying the user, storing only generic information, namely the form or place/country of access of the user and how they use the website. Cookies only retain information related to user preferences.

Refusing to use cookies on the website may result in the impossibility of accessing some of its areas or receiving personalized information.

Funerias Unidas uses different types of cookies on the website:

- Google Analytics Cookies - To provide website users with more options for how their data is collected by Google Analytics, Google provides a Google Analytics opt-out tool. This tool, through the "add-on" functionality, instructs Google Analytics JavaScript not to send any information about your visit to the site to Google Analytics. Learn more about the Google Analytics Browser Opt-out extra;
- Functionality Cookies - Functionality cookies allow remembering user preferences regarding website navigation, so that it is not necessary to reconfigure the website each time you visit it;

Regarding their validity, cookies can be:

- Permanent Cookies - These are cookies that are stored on access devices (computer, mobile phone, smartphone or tablet), at the internet browser level, and are used whenever the user visits the website again, contributing to the provision of a more personalized service.
- Session Cookies - These cookies are temporary, being automatically deleted when the user closes their browser program. The information obtained allows identifying problems and providing a better browsing experience.

Functionality of each of the Cookies:

- `has_js` - (session cookie, which will remain active until you close your browser): Funerária Unidas uses a cookie on this website that serves to identify the user during their session.

The cookie records the user's session IDs, but does not store any personal data after the user logs out, and in no case transfers data to third parties.

- ga - This cookie is stored for 2 years and is used to distinguish users.
- gid - This cookie is stored for 24 hours and is used to distinguish users.

Cookies have a maximum duration of 2 years. Longer durations are only considered in exceptional circumstances, such as security issues and in cases of absolute necessity.

We never sell the information collected through cookies, nor do we make it available to third parties.
